

# Shannon Pina

---

I have been a stylist since 2011, beginning my professional journey in Massachusetts prior to my relocation to New Hampshire in 2021. My passion for the beauty industry drives my unwavering commitment to continuous learning, as I consistently seek to embrace the latest trends and techniques. Alongside my core styling responsibilities, I have developed a specialization in makeup, lash tints, lash strip clusters, and brow services, which allows me to offer a comprehensive range of beauty solutions to my clients.

Outside of my professional pursuits, I deeply value quality time spent with my family and find joy in immersing myself in captivating literature. This blend of personal interests and professional dedication not only enhances my skills but also enriches my creativity as a stylist. I strive to create an inviting and inspiring experience for each client who walks through the door.
